SHADY SIDE PRESBYTERIAN CHURCH
PITTSBURGH, PA.

June 21. 1900.

Dear Ezra:

I want to know whether participants in platform Exercises on July 5th when you have asked me to officiate, (President, Professors &c.) are to wear gowns and hoods, symbolic of degrees as at the Eastern Colleges now a-days or whether we are still to be plain American citizens. Please answer. If I must have a hood what is the College Color for degree stripe (D.D.)?

I am trying to put pieces at work that will secure some money for the College Library. Mr Carnegie is unapproachable. I tried to get at him, but the time has not yet come. If we had a Middling Alumnus in the Carnegie Concern I could get $50.000 sure. Mr James Gayley of my Church has just given that to "Lafayette" of which he is a trustee. I will try in some other directions. If I could have the names of 500 living Alumni I would propose to them by personal letter to give each $100.00 to endow the library. I raise $8000.00 a year or so in $100. subscriptions for our Pennsylvania Home Mission Board. If I could get A. R. Peacock of my chums, a Carnegie man, to give $5000 would you make him trustee of the College?

Ever yours sincerely,

Richard T. Auchmuty. 6 —
